PATENT TRADEMARK OFFICE

I understand and hereby acknowledge that the law firm of Kenyon & Kenyon ("K&K") represents the company to which rights in the invention have been or are being assigned and does not represent me or my interests as my attorney or otherwise (except to the extent that, in my capacity as employee or consultant, it is representing me by representing said company). Although a United States patent application is nominally filed and prosecuted in the U.S. Patent and Trademark Office in the name(s) of the inventor(s), I further understand that K&K has prepared a United States patent application relating to a **Three-Dimensionally Structured Fibrous Web And A Method for Its Manufacture** that I invented on behalf of its client, not me, and that it will conduct the prosecution of that application and of any corresponding applications on behalf of its client, not me.

I declare that all statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code and that such willful statements may jeopardize the validity of the application or any patent issuing thereon.
